NOVEL TARTAN

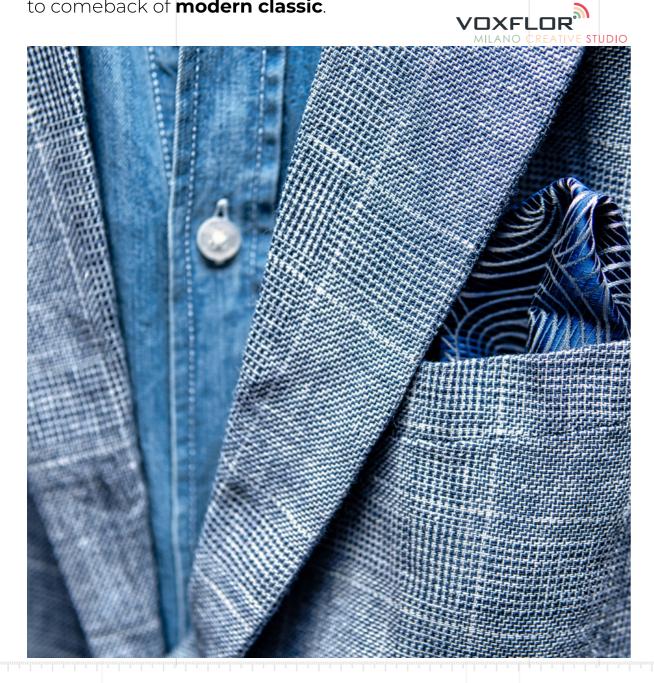

01.

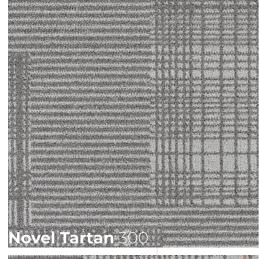

OUR GOAL

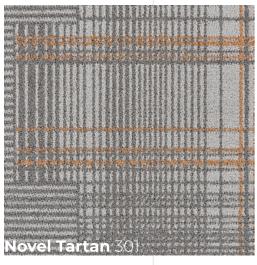

There is no **progress** without **memory**. Novel Tartan takes inspiration from **classic and elegant textile** patterns revisited into carpet tiles solutions with a style that winks at the current **retro trend**.

As a fashion driven flooring solution with **rich textures** and **delicate linear accents**, Novel Tartan looks into the future with an eye to comeback of **modern classic**.

Thanks to a complete series of **neutral tones** ranging from dark to light gray to warm beige, the collection guarantees **total coverage of classic** and elegant solutions. Furthermore, for each basic color a product is offered with **lively accents** for all those solutions that require a touch of **freshness and stylish design**.

02.

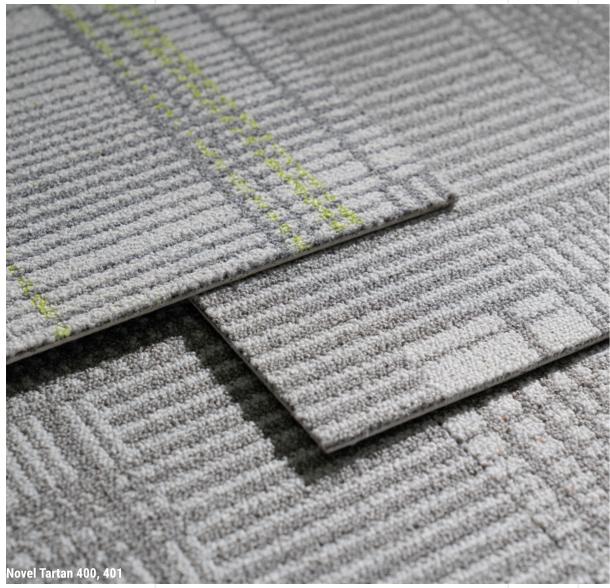

OUR PRODUCT

Novel Tartan Collection is a creative expression of **classic elegance**, modernized for the modern consumer.

The inspiration for this design comes from the strong fashion comeback of the classic British pattern in **fashion design**, but also considering that vintage culture is **absolutely on trend** in interior design as well.

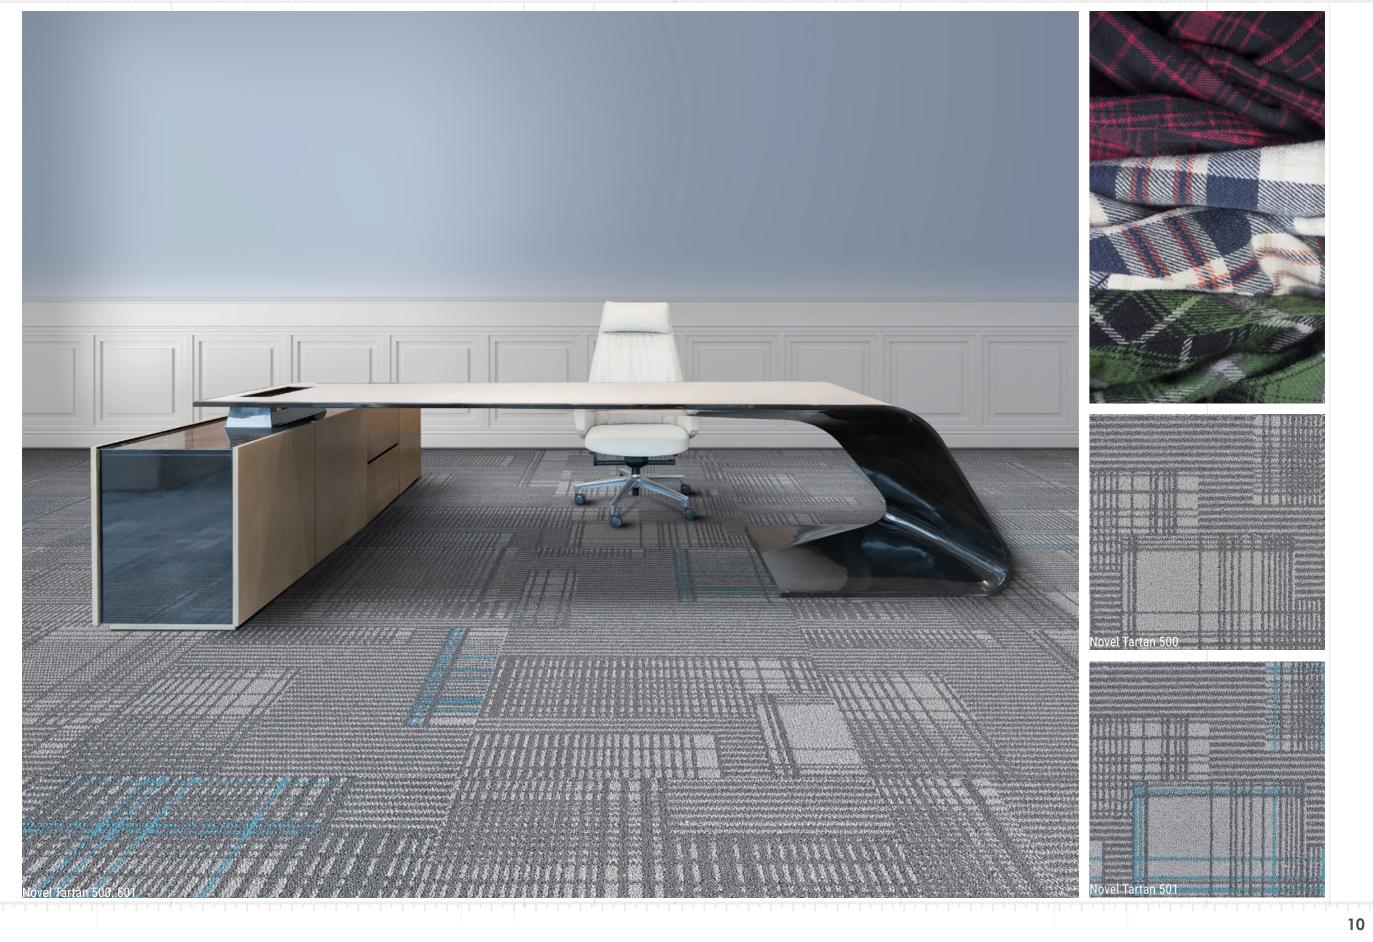

ANEW VINTAGE CULTURE Novel Tartan 400

VOXFLOR is combining the two elements in a carpet tiles flooring solution that mixes the need for innovative solutions and the love for classic elegance.

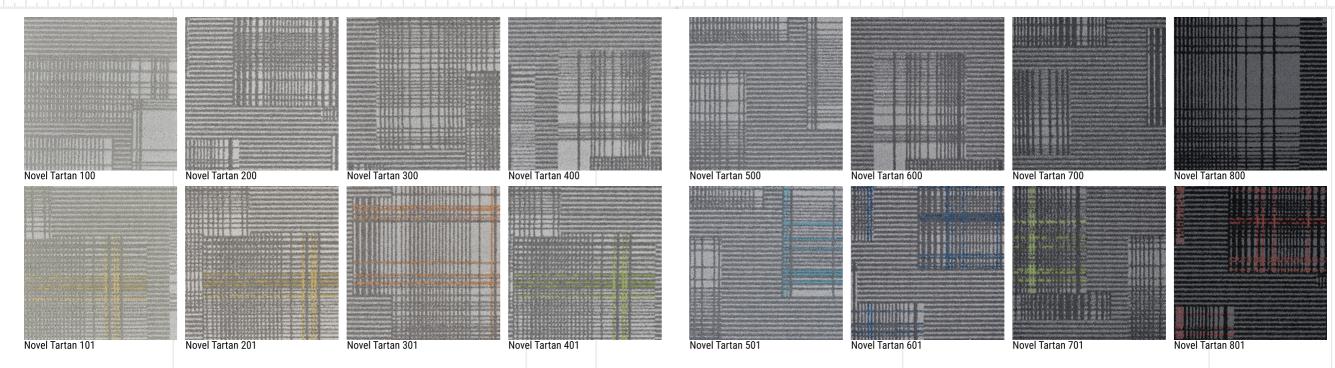

Total Thickness:

Specifications

Style Name: Novel Tartan

Construction: Multi-level Loop

Fiber: VOXFLOR® Certified Nylon

1/10" Gauge:

Stitches: 8 per inch Pile Weight: 20 OZ/yd² Average Pile Height: 4.0 ± 0.5mm EcoAce-Bac® Backing: Tile size: 50cm*50cm

Area of Use: Commercial – Heavy Duty

Ultra-Fresh Treatment (Available) Anti-microbial:

 7.0 ± 0.5 mm

Flammability: ASTM E 648 Class I, GB8624-2012 B1(C)

Smoke Density: ASTEM E 662 Less than 450, GB/T 8627-1999

Static Propensity: AATCC-134≤3.5 KV, GB/T 18044-2008

Installation Methods

Manufacture System

S LAR made carpet

VOXFLOR builds its own solar power generation system and use clean energy to produce in a sustainable way.

An Environmental Product Declaration (EPD) tells the life cycle story of a product in a single, comprehensive report. The EPD provides information about a product's impact upon the environment, such as global warming potential, smog creation, ozone depletion and water pollution.

Administered by the Singapore Environment Council (SEC) since 1999, It is Singapore's leading environmental standard and certification mark with over 3800 unique products certified across 43 countries.

Credits Contribution to:

LEED (Leadership in Energy and Environmental Design) is the most widely used green building rating system in the world. LEED certification is a globally recognized symbol of sustainability achievement and leadership.

Our manufacture system has been certified under ISO 9001, ISO 14001 and ISO 45001, which means with the management, production facility and the strict quality controls, VOX-FLOR® represents qualified and trusty products.

EcoAce-Bac® GLP No.: 100231
