*passion and purpose*

# 01.

## OUR GOAL

The Mundi collection features four distinct products, each in five shades of gray. **Base provides a neutral foundation**, ideal for young professional environments, dynamic commercial spaces, and hospitality settings. **Fossil builds on Base's texture with a robust, eroded net-like pattern**, while **Misty offers a diffused melt design with strong color accents**, adding vibrant contrast. **Moss introduces pure color with tone-on-tone shades**, ensuring a rich, lively look. These products can be used individually or mixed, offering designers flexibility and creative freedom.

### COLLECTIONS

The Mundi collection captures the essence of Mother Nature's textures, translated into a sophisticated palette of five shades of gray. This collection embodies the natural interplay of elements, from the solid, stable ground to the ancient, weathered surfaces and misty, ethereal landscapes

Each element—Base, Fossil, Misty, and Moss—evokes a unique aspect of the natural world, providing designers with the tools to create spaces that are both timeless and dynamic. By integrating these textures, the Mundi collection offers a harmonious blend of neutrality and vibrancy, enabling a seamless fusion of modern design with the organic beauty of the world.

**Specifications**

Style Name: Base; Fossil; Misty; Moss  
 Construction: Multi-level Loop & Tip Shear (Base; Fossil; Misty)  
 Multi-level Loop (Moss)  
 Fiber: PUREWEAVE™ Nylon  
 Gauge: 1/10"  
 Stitches: 9 per inch  
 Pile Weight: 26; 30; 30; 32 OZ/yd<sup>2</sup>  
 Average Pile Height: 5.0 ± 0.5mm  
 Backing: EcoAce-Bac® Pro  
 Tile size: 25cm\*100cm  
 Area of Use: Commercial – General Duty  
 Anti-microbial: Ultra-Fresh Treatment (Available)  
 Flammability: ASTM E 648 Class I, GB8624-2012 B1(C)  
 Smoke Density: ASTEM E 662 Less than 450, GB/T 8627-1999  
 Static Propensity: AATCC-134≤3.5 KV, GB/T 18044-2008

**Installation Methods**

## Manufacture System

# SOLAR made carpet

VOXFLOOR® constructs its solar power generation system, utilizing clean energy for sustainable production.

An Environmental Product Declaration (EPD) tells the life cycle story of a product in a single, comprehensive report. The EPD provides information about a product's impact upon the environment, such as global warming potential, smog creation, ozone depletion and water pollution.

Administered by the Singapore Environment Council (SEC) since 1999, It is Singapore's leading environmental standard and certification mark with over 3800 unique products certified across 43 countries.

## Credits Contribution to:

LEED (Leadership in Energy and Environmental Design) is the most widely used green building rating system in the world. LEED certification is a globally recognized symbol of sustainability achievement and leadership.

VOXFLOOR® tracks and reduces greenhouse gas emissions (ISO 14064), minimizes the carbon footprint of carpet tiles (ISO 14067), and achieves carbon neutrality through renewable energy and offsetting (ISO 14068-1).

ISO9001, ISO14001, ISO45001 certified, VOXFLOOR® ensures reliable, high-quality manufacturing.

Eco-Ace-Bac® Collection  
GLP No. : 100231

Green Label Plus is an independent testing program that identifies carpet, adhesives, and cushion with very low emissions of VOCs to help improve indoor air quality.

CE marking indicates that a product has been assessed by the manufacturer and deemed to meet EU safety, health and environmental protection requirements.

Ultra-Fresh® is a portfolio of antimicrobial treatments developed by Thomson Research Associates, Inc. Customer can choose this High-Performance Antimicrobial Technology.

WELL is the leading tool for advancing health and well-being in buildings globally. Register your office, building or other space to leverage WELL's flexible framework for improving health and human experience through design.

## Declare.

Red List Free

Declare is a transparency platform to share and find healthy building products. VOXFLOOR's EcoAce-Bac® Collection reach "Red List Free" grade.

## PUREWEAVE™

VOXFLOOR® offers PureWeave Nylon, a solution-dyed nylon fiber with built-in enhanced stain resistance ability against acid-based stains, which account for over 90% of the stains in daily life, such as tea, coffee, juice, etc. This feature gives carpet tiles long-lasting and effective anti-stain properties with lower maintenance costs, and longer product lifespan.

Cradle to Cradle® Certified is the global standard for products that are safe, circular and responsibly made. It is to ensure the impact of their products on people and planet is a positive one.

# IT IS A BEAUTIFUL WORLD IF YOU LOOK AT IT
